**Step 3: Choose one of the following verification methods, for example Security Key or One-Time Password Generator. (You can use your iPhone Camera to scan QR code)**

Register a Verification Method

Select a verification method to register.

-  Salesforce Authenticator  
Connect your account to Salesforce Authenticator.
-  Security Key  
Connect a security key to your account.
-  Built-In Authenticator  
Connect a built-in authenticator to your account.
-  One-Time Password Generator  
Connect an authenticator app that generates verification codes.

Scan the QR code to save your pass key in your mobile device.

**Step 4:** Verify your identity with your school account, click Verify and choose to verify with your device iPad, iPhone, and android one more time or with the saved Pass Key.

Verify Your Identity

To keep your account secure, we verify your identity.

Insert a security key listed below, then click Verify.

**Step 5:** Now you're in. Go to **explore** → **Unicef project folder** → **Unicef SOWC2023 Data** to see the dataset.

The screenshot shows a Tableau site interface. On the left is a sidebar with the following menu items:

- Home
- Favourites
- Recents
- Shared with Me
- Recommendations
- Personal Space
- Collections
- Explore
- External Assets

The main content area features a large banner with the text "Your Tableau site – where analytics and your organisation meet" and "Harness your data. Discover opportunities. Elevate your insights." Below the banner is a "New" button and links to "Upload Workbook", "Download Tableau Desktop", and "Download Tableau Prep Builder". A search bar at the top right says "Search for views, metrics, workbooks and more".

Below the banner, there are sections for "Favourites and Recents" and "Recommendations". The "Recommendations" section displays a map of the United States with color-coded states, representing data from an "Executive Overview - Profitability (US)" worksheet. The map shows a clear gradient from blue (low) to orange (high) across the country. Below the map are buttons for "Overview", "33", "0", and "...". A tooltip "Why is this recommended?" is visible near the bottom of the map.

**Good luck with your competition 😊**
